# Advantages of new Project V products:

## Effective:

Exclusive formulas;  
Cryogenic breakdown;  
Easily absorbed forms of components;  
Highly active components with improved bioavailability

## Simple:

Small, easy to swallow capsules;  
Innovative flat packaging;  
Easy to pack

## Natural:

Suitable for vegetarians;  
Capsule made from plant materials;  
Raw materials of French origin

# A, 30 CAPSULES

## CELL PROTECTION

A is a unique complex with a set of the most effective antioxidants, protects your body's cells from the harmful impact of free radicals.

**Ingredients:** Vitamin C, grape seed extract (*Vitis vinifera*), natural beta-carotene, vitamin E, zinc sulfate, selenium yeast, ginkgo biloba extract (*Ginkgo biloba*).

# A VS. ANTIOX+

Per capsule

<b>Antiox+</b>	<b>A NEW</b>	<b>Changes</b>
Vitamin E (6.5 mg)	Vitamin E (12 mg)	A 2-fold increase in content
Zinc oxide (Zinc 15 mg)	Zinc sulfate (Zinc 15 mg)	Higher zinc availability
Grape seed powder (150 mg)	Grape seed extract (80 mg)	Extract is 26 times more effective than 150 mg of grape seed powder (80 mg of extract – 2080 mg of powder)
Ginkgo biloba powder (26.52 mg)	Ginkgo biloba powder (10 mg)	Extract is 20 times more effective than ginkgo biloba powder (10mg of extract = 500 mg of powder)
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

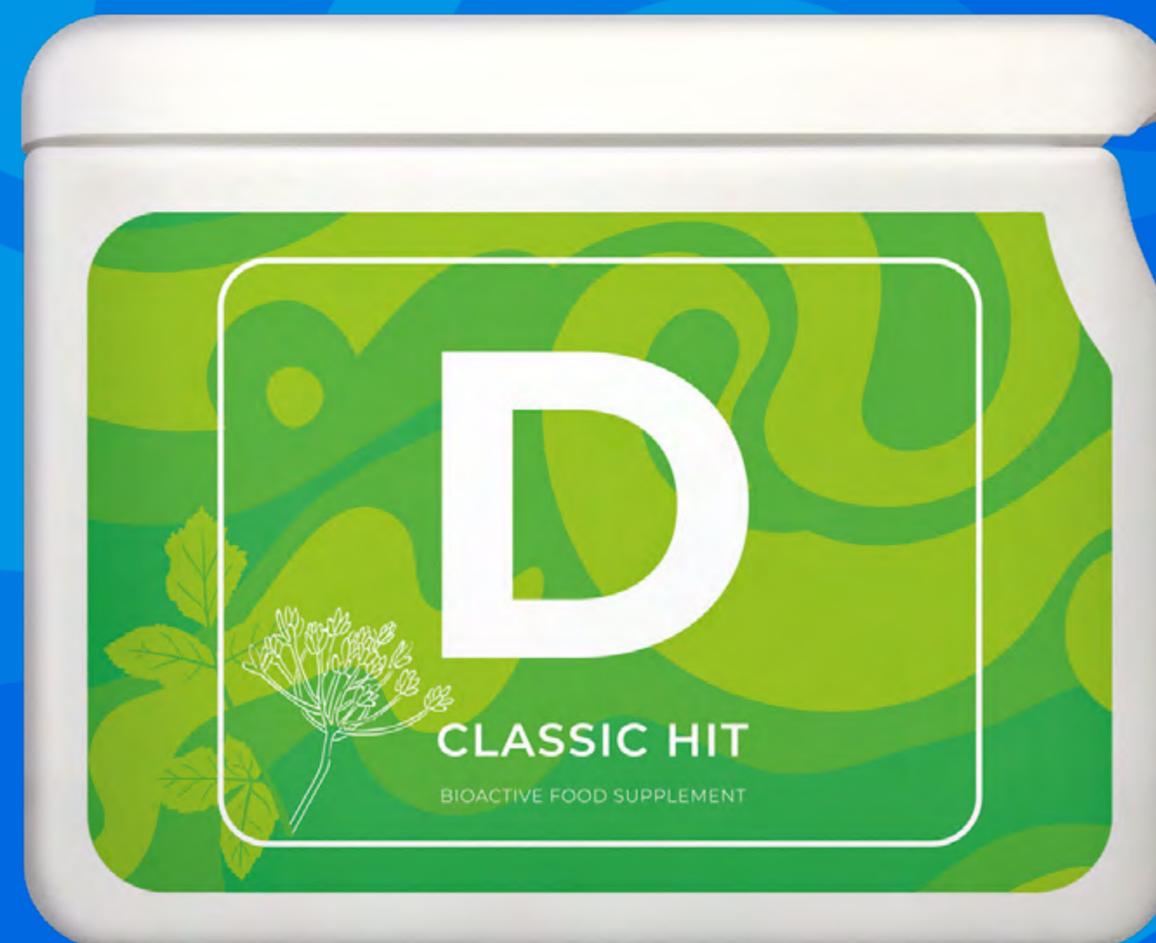

# D, 60 CAPSULES

## DETOXICATION

A highly efficient natural product for cleansing the body on a cellular level.

D strengthens cell immunity, accelerates removal of harmful substances and toxins, restores protective functions of organs and systems.

**Ingredients:** Cat's claw powder (*Uncaria tomentosa*), Cat's claw bark extract (*Uncaria tomentosa*), ginger root (*Zingiber officinalis*).

# D VS. DETOX+

Per capsule

<b>Detox+</b>	<b>D NEW</b>	<b>Changes</b>
Cat's claw bark extract (379.75 mg)	Cat's claw bark extract (150 mg) + Cat's claw extract (50 mg)	Efficiency of cat's claw increased by 30% by adding the extract
	Ginger root powder (50 mg)	New ingredient that increases the formula's detoxification qualities
Paraffin oil	none	Paraffin oil removed from the formula
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

# GINGER ROOT

## Qualities:

- Natural detoxifier
- Increases energy levels and metabolism in the body;
- General tonic and restorative effect on the immune system
- Positive effect on digestion

## Ginger root contains:

- Essential oils;
- Vitamins A, C, B1, B2, B3 (niacin);
- Indispensable amino acids;

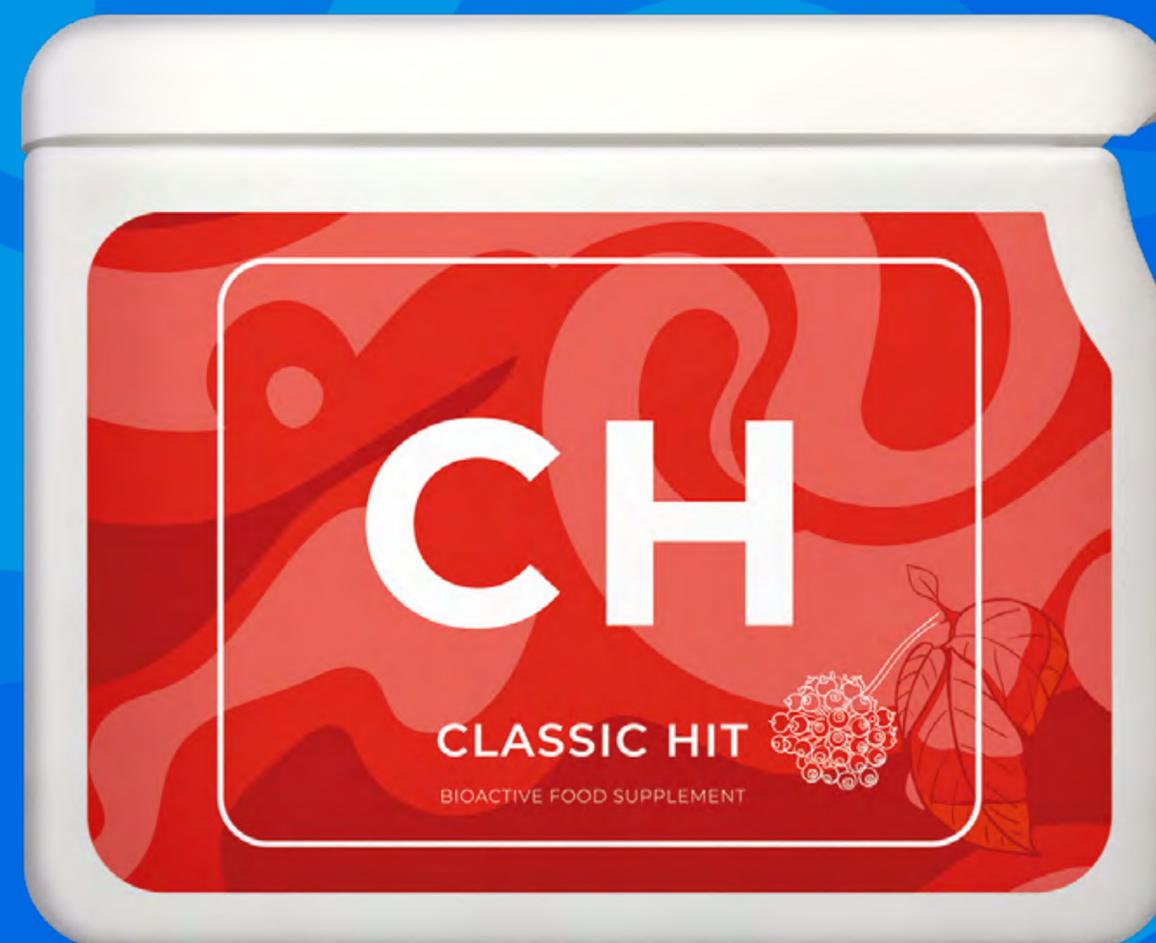

# CH, 60 CAPSULES

## ENERGY

CH multicomponent energy tonic efficiently fights exhaustion and quick fatigability. It contains especially selected ingredients are capable of charging every cell of your body with energy and stimulate energy processes on a cellular level.

**Ingredients:** Spirulina powder (*Spirulina platensis*), Guarana seed powder (*Paullinia cupana*), vitamin C, Eleutherococcus root extract (*Eleutherococcus senticosus*), cola root powder (*Cola nitida*), chromium picolinate.

# CH VS. CHROMEVITAL +

Per capsule

<b>Chromevital+</b>	<b>CH NEW</b>	<b>Changes</b>
Chromium yeast (50 mkg of chromium)	Chromium picolinate (100 mkg of chromium)	More easily available form of chromium, twofold increase in chromium content
Vitamin C (33 mg)	Vitamin C (42 mg)	A 27% increase in content
Eleutherococcus root powder (175 mg)	Eleutherococcus root extract (50 mg)	Extract is 50% more effective than 175 mg of Eleutherococcus root (50 mg of extract = 400 mg powder)
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

# SV, 60 CAPSULES

## FIT AND HEALTHY

SV contributes to the restoration of normal metabolism, thus eliminating the main reason for excess weight.

The perfectly balanced formula accelerates metabolism, ensuring intensive burning of fat and its transformation into energy.

**Ingredients:** Garcinia Cambogia extract, Bladder wrack powder (*Fucus vesiculosus*), vitamin C, green tea leaf extract (*Camelia sinensis*), chromium picolinate.

# SV VS. SVELTFORM

Per capsule

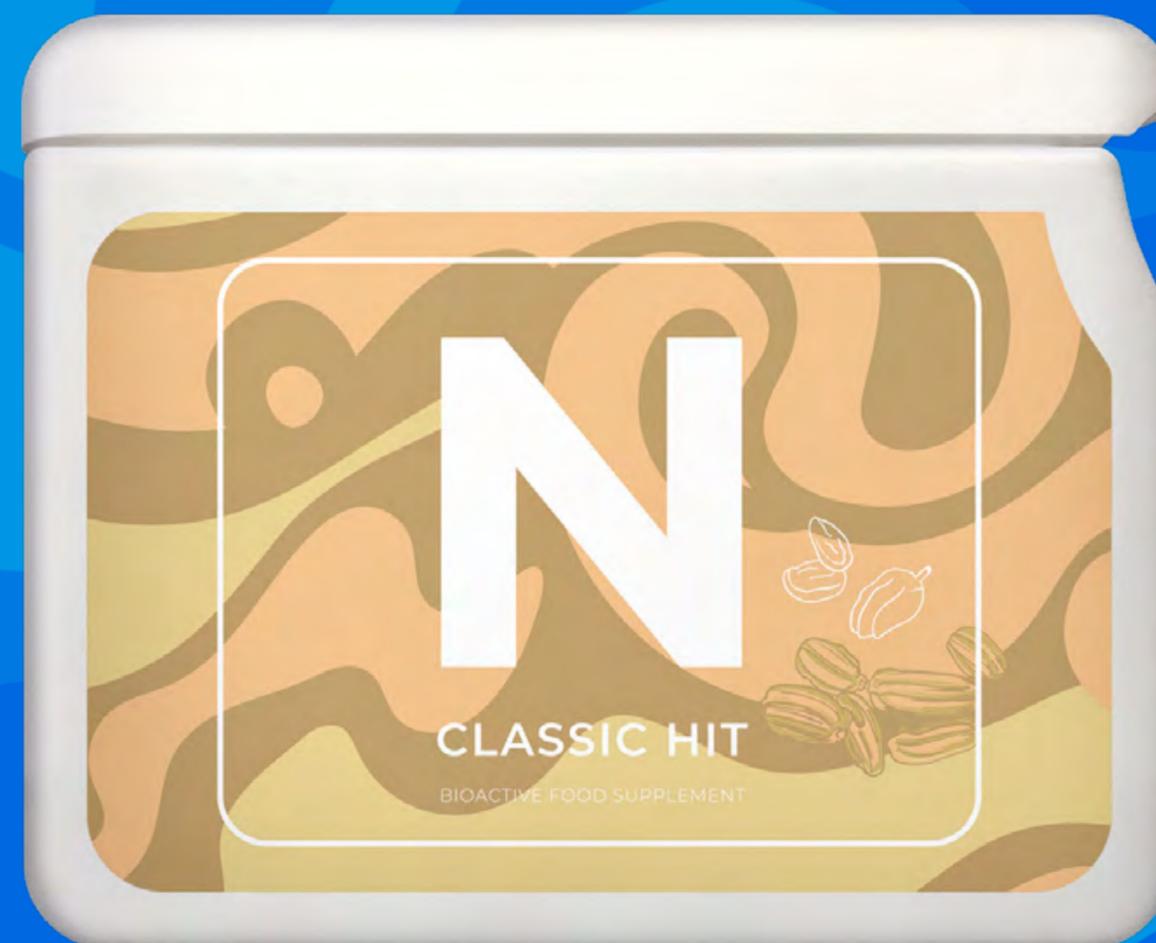

<b>Sveltform+</b>	<b>SV NEW</b>	<b>Changes</b>
Garcinia Cambogia extract (200 mg)	Garcinia Cambogia fruit peel extract (150 mg)	Garcinia Cambogia fruit extract is enriched with fruit peel extract, which is rich in hydroxycitric acid
Vitamin C (32 mg)	Vitamin C (42 mg)	A 32% increase in content
Green tea powder (70 mg)	Green tea extract (30 mg)	Extract is 3.5 times more effective than 70 mg of green tea powder (30 mg of extract = 240 mg of powder)
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

# N, 60 CAPSULES

## URINARY HEALTH

N is a powerful antiseptic based on organic natural components, with an antimicrobial and diuretic effect. Is efficient in eliminating various infectious processes in the genitourinary system, restoring its full functionality.

**Ingredients:** Angelica sinensis powder (Angelica archangelica), ferrous pidolate, cherry stalk extract (Prunus cerasus), Uva ursi leaf powder (Arctostaphylos uva-ursi), witch hazel leaf extract (Hamamelis virginia), vitamins B3, B5, D3, B6, B1, B2, B9, B12, biotin.

# N VS. NUTRIMAX+

Per capsule

Nutrimax+	N NEW	Changes
Witch hazel leaf powder (31 mg)	Witch hazel leaf extract (30 mg)	Extract is 10 times more effective than 31 g of witch hazel powder (30 mg of extract = 300 mg of powder)
Ferrous gluconate (6 mg)	Ferrous pidolate (7 mg)	A 16% increase in content
	Cherry stalk extract (35 mg)	Formula enriched with cherry stalk extract. 35 mg of extract equal the efficiency of 350 mg of powder.
Angelica sinensis root powder (31 mg) Uva ursi leaf powder (31 mg) Vitamin D3 (4.5 mkg) Vitamin B1 (1.1 mg) Vitamin B12 (0.97 mg) Vitamin B2 (1.6 mg) Vitamin B6 (1.6 mg) Folic acid (180 mkg)	Angelica sinensis root powder (31 mg) Uva ursi leaf powder (31 mg) Vitamin D3 (4.5 mkg) Vitamin B1 (1.1 mg) Vitamin B12 (0.97 mg) Vitamin B2 (1.6 mg) Vitamin B6 (1.6 mg) Folic acid (180 mkg)	A 61% increase in content A 13% increase in content A 2-fold increase in content A 81% increase in content A 2.5-fold increase in content A 25% increase in content A 56% increase in content An 11% increase in content
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

# CHERRY STALKS

## Characteristics:

- Promotes the breakdown of kidney stones and their almost painless removal from the body;
- Has a diuretic effect and eliminates swelling;
- Supports the functioning of the genitourinary system;
- Clears out toxins and waste.

## Cherry stalks contain:

- Minerals: phosphorus, zinc, potassium, magnesium, copper, chromium, sodium, calcium, iron;
- Organic acids;
- Vitamins – B, PP, A, E, C.

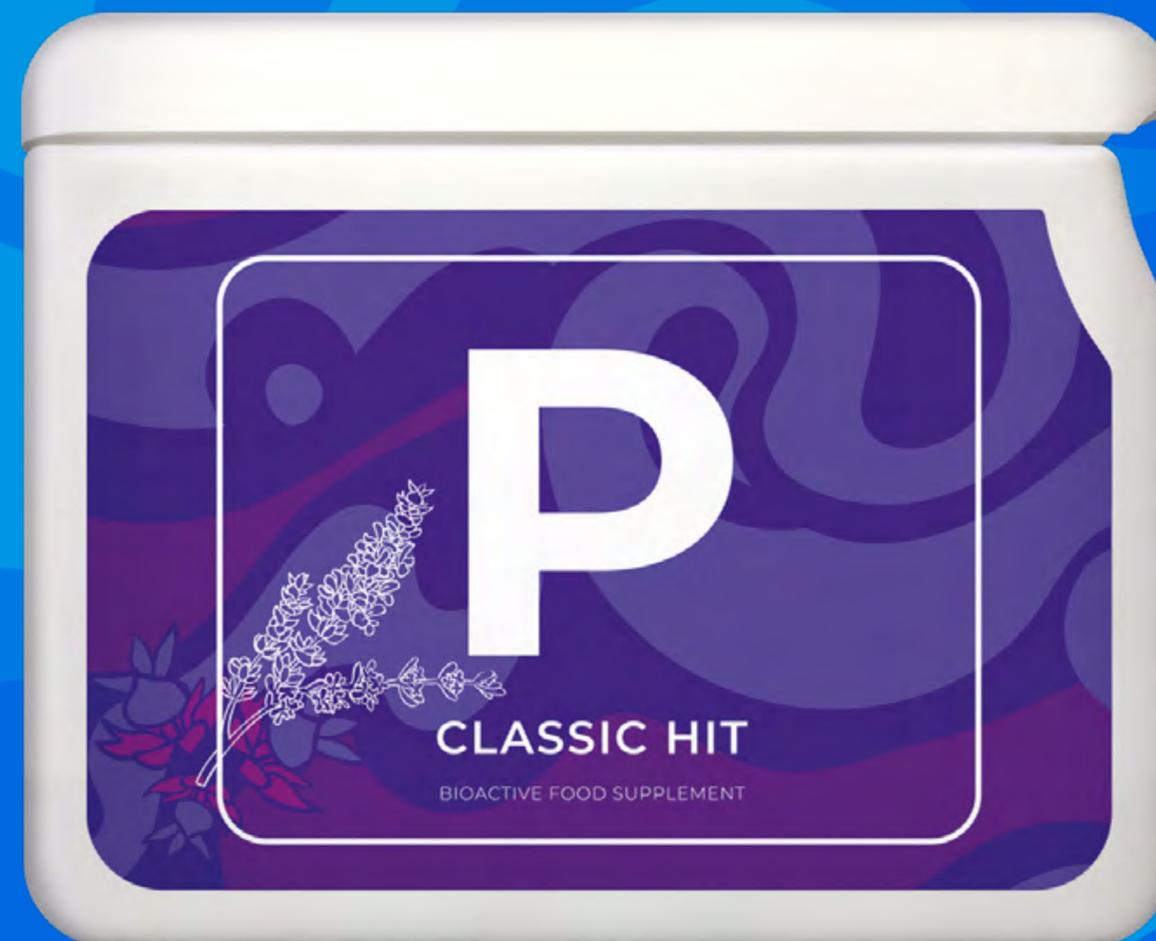

# P, 60 CAPSULES

## CALMNESS AND RELAXATION

P is a powerful anti-stress complex that securely protects our body from damaging consequences of emotional and physical strain.

**Ingredients:** Lavender flower powder (*Lavandula angustifolia*), Melissa leaf extract (*Melissa officinalis*), Valerian root extract (*Valeriana officinalis*), vitamins B3, B5, B6, B2, B1, B12, B9, biotin.

# P VS. PAX+ FORTE

Per capsule

<b>Pax+ Forte</b>	<b>P NEW</b>	<b>Changes</b>
Melissa leaf powder (50.63 mg)	Melissa leaf extract (25 mg)	Extract is 5 times more effective than 50 mg of Melissa powder (25 mg of extract = 250 mg of powder)
Spicate lavender flower (50.63 mg)	Spicate lavender flower (100 mg)	A 2-fold increase in content
Valerian root powder (50.63 mg)	Valerian root extract (25 mg)	Extract is 2 times more effective than 50 mg of valerian root powder (25 mg of extract = 100 mg powder)
Vitamin B5 (6 mg)	Vitamin B5 (9 mg)	A 50% increase in content
Paraffin oil		Paraffin oil removed from the formula
Capsule shell: gelatin	Capsule shell: hydroxypropyl methylcellulose	Animal-based capsule shell replaced with plant-based capsule shell

# M, 60 CAPSULES

## HEART & BRAIN

M is a complex of unique fractions of polyunsaturated fatty acids (PUFA), required for the normal functioning of all organs and systems, first and foremost, heart, circulatory system, brain and skin. PUFA are uniquely effective in improving cell structure and maintaining cell integrity.

**Ingredients:** fish oil (anchovies, sardines, mackerel).

# M VS. MEGA

Per capsule

<b>Mega</b>	<b>M NEW</b>	<b>Changes</b>
Omega-3 (250 mg)	Omega-3 (500 mg)	A 2-fold increase in content
Source of Omega-3: salmon	Source of Omega-3: sardines, anchovies, mackerel	Sources of Omega-3 in M are richer in polyunsaturated fatty acids

# JN, 60 CHEWABLE TABLETS

## CHILD GROWTH

JN ensures that the child's body receives all the required vitamins, macro and microelements for integral growth. Guarantees harmonious development of all bodily functions during the period of active growth: physical, intellectual and psychological.

**Ingredients:** magnesium, chromium, iron, Seville orange fruit extract (*Citrus aurantium*), natural beta-carotene, zinc, copper, manganese, vitamins B6, D3, B1, B2, B12, B9, E, B3, C.

# JN VS. JUNIOR NEO+

Per chewable tablet

Junior Neo+	JN <b>NEW</b>	Changes
Lemon peel extract (20 mg)	Seville orange fruit extract (20 mg)	Lemon extract is replaced with more effective Seville orange fruit extract
Beta-carotene (0.75 mg) Vitamin D3 (0.75 mkg) Vitamin C (15 mg) Vitamin B6 (0.3 mg) Vitamin B1 (0.25 mg) Vitamin B2 (0.3 mg) Vitamin B12 (0.25 mkg) Folic acid (50 mkg) Zinc (1.15 mg) Manganese (0.3 mg) Iron (1.5 mg)	Natural beta-carotene (1 mg) Vitamin D3 (4.5 mkg) Vitamin C (20.83 mg) Vitamin B6 (0.4 mg) Vitamin B1 (0.35 mg) Vitamin B2 (0.4 mg) Vitamin B12 (0.5 mkg) Folic acid (90 mkg) Zinc (1.5 mg) Manganese (0.4mg) Iron (4.5 mg)	A 33% increase in content A 6-fold increase in content A 38% increase in content A 33% increase in content A 40% increase in content A 33% increase in content A 2-fold increase in content A 80% increase in content A 30% increase in content A 33% increase in content A 3-fold increase in content

# SEVILLE ORANGE FRUIT

## Characteristics:

- Powerful antioxidant
- Antibacterial and anti-inflammatory activity
- Strengthens immunity
- Protects from colds
- Beneficial effect on brain function

## Seville orange fruit contains:

- Essential oils
- Organic acids
- Glycosides
